For Summer 2017 we will offer a new Horsemanship Camp.

For 3 individual weeks we will host a Horsemanship camp. This year we will focus on more intermediate skills and more hands on tasks using some of the ideas of the USPC. Campers will be hands on with barn tasks and horse care as well as building a clearer understanding of more advanced skills. As expected, there will also be daily mounted lessons.

Cost: \$500 per week Camp dates are June 27-30 July 25-28 August 1-4 9:30-1:30 daily
